Welcome to Hyderabad, the city of pearls; and University of Hyderabad.

Vibrant scientific sessions in the areas of
- Reproductive immunology
- Stem cells in reproduction
- Endocrine cancers
- Comparative endocrinology
- Eicosanoids in reproduction
- Assisted reproduction technology
- Reproductive Toxicology
- Neuroendocrinology
- Contraception
- Eco-endocrinology
- Vertebrate endocrinology
- Invertebrate endocrinology
- Comparative physiology
- Endocrine physiology
- Reproductive endocrinology
- Endocrine immune interaction
- Medical and Clinical endocrinology
- Animal Bio-Technology and Experimental Bio-Technology

Invited lectures by outstanding researchers from around the world, oral and poster presentations by middle and young researchers (postdoctoral fellows and PhD students).

- A variety of awards for the best oral and poster presentations, especially for students.
- Submit your work as Mini poster for better showcasing.
- Interact with the best reproductive biologists and comparative endocrinologists.
